JU stamp on courses on counselling

Apr 2, 2023, 08.19 AM IST

Kolkata: An MoU has been signed between Jadavpur University and Caring Minds for the recognition of the courses run by the centre for psychological growth. The centre now runs two diploma courses, one on student counselling and the other on career counselling, which will get certificates from JU.

JU vice-chancellor Suranjan Das said, "Jadavpur University remains committed to ensuring affiliation to these new courses, the existing courses, and any others that will be introduced in future. We look forward to a continued connection of educational excellence." Minu Budhia, psychotherapist and founder and director of Caring Minds, said, "JU's continued faith and support

motivate and inspire us to continue with confidence on the journey to providing accessible, certified psychological education."
