KOLKATA: The Jadavpur University admission committees for arts and science on Friday decided to adopt the four-year undergraduate course, while Calcutta University asked the UG board of studies to submit the curriculum of each subject in a week.

Presidency is ready to start the new system from this session. Rabindra Bharati University's executive council on Thursday passed the decision of implementing the four-year UG courses from this session.

An arts faculty member said, "The plan has been sent to the authority as a unanimous decision." A science faculty member said, "Our structure is ready. There will be no entry and exit in the first two years."

At RBU, there was no discussion on multiple entry-exit options. Presidency registrar Debojyoti Konar said, "We are ready with the system."
