# New VC soon, guv tells JU court members

TNN | Aug 17, 2023, 10.33 AM IST

KOLKATA: Jadavpur University will soon get a vice-chancellor, Governor and JU chancellor C V Ananda Bose told the university court during a meeting at Raj Bhavan on Wednesday. The court and the executive council are the two highest bodies of the university. Around 30 members of the university court attended the meeting.

Sources said heads of departments shared their difficulties and asked for the chancellor's nominee to conduct an executive council meeting. At the last meeting of the anti-ragging committee, it was decided to make a separate hostel for first-year students. They proposed to declare New Boys' Hostel for this purpose, which needs to be ratified through an EC meeting.

The chancellor asked all stakeholders to work to bring back JU's glory. However, one court member, head of the English department Monojit Mandal, was allegedly stopped from attending the meeting. He said, "I am a member of the court but was restricted from entering."
