

Bachelor of Architecture Examination 2018

Year IV Semester II

ARCHITECTURE DESIGN AND DELINEATION IV

Time: 12 Hours

Maximum Marks: 100

1. A maximum of 8 numbers half imperial (50X37.5cms roughly) drawing sheets and 2 numbers half imperial butter sheets may be used
2. All rough work may be done in the answer copies and butter sheets but will not be graded
3. Students are allowed to refer to their floor plans of the ongoing design exercise at Panihati this semester brought by them for the purpose
4. *Freehand sketches/drawings (including floor plans and other orthographic drawings) in marker/sketch/felt pens will be preferred with limited extent of text. Use of water/poster color will be similarly appreciated*
5. *The emphasis is on architectural/design ideas and the resulting spaces. Students may provide sketches to show the ideas/spaces*
6. Any information/data not provided herewith may be assumed

Select **2 Interior spaces adjoining some open space** that you like from your ongoing design this semester not exceeding 1000 cubic meters each. Continue to design and detail to make the space as spatially exciting as possible. There is **no limit to the extent of design/detail you could provide and you may also redesign the space**, if needed, provided it does not disturb the overall design of the place.

Present your design and detail of the 2 interior spaces alongside the exterior spaces that adjoin through 2D/3D drawings/sketches the way you wish so as to explain the project on a reasonably large scale but so as to fit the sheets of paper provided. (50X2)
