Dear Madam/Sir

I am Kalyan Ram of the Economics Department. One of the external examiners of my Ph.D. thesis titled "Some Aspects of Corruption and Crime in India: A Macro-Theoretic Study" made a number of comments and asked me to accommodate them in a separate addendum. The examiner taking the viva will be asked to examine the addendum. This is to inform you that I have prepared the addendum accommodating all the reviewer's comments. Please permit me to submit the Addendum.

Yours sincerely

*Kalyan Ram*
